Budapest's mobility strategy with citizens

László Sándor Kerényi
Head of Mobility Strategy
BKK Centre for Budapest Transport
4 May 2017, Breakfast@Sustainability, Brussels

BUDAPEST

BKK BUDAPESTI KÖZLEKEDÉSI KÖZPONT

Developing our cities - Back to the future?

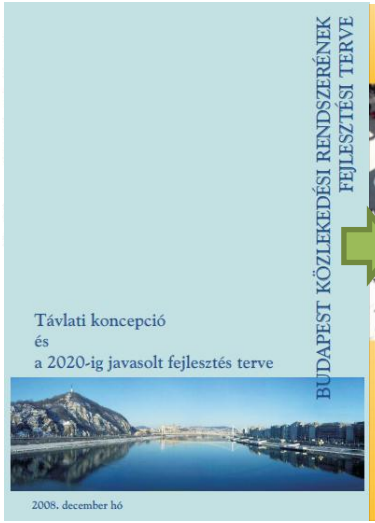
1901

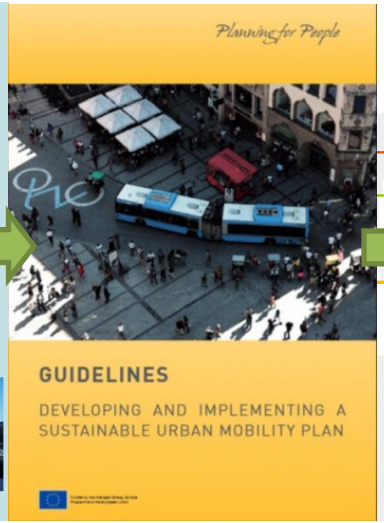
1963

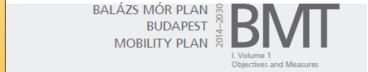
1990

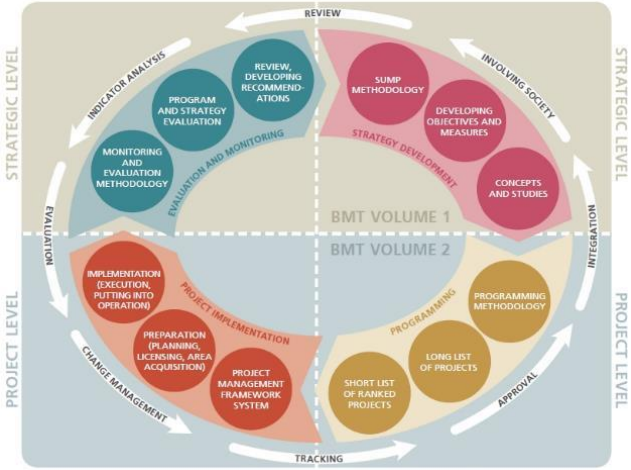
2015 - ?

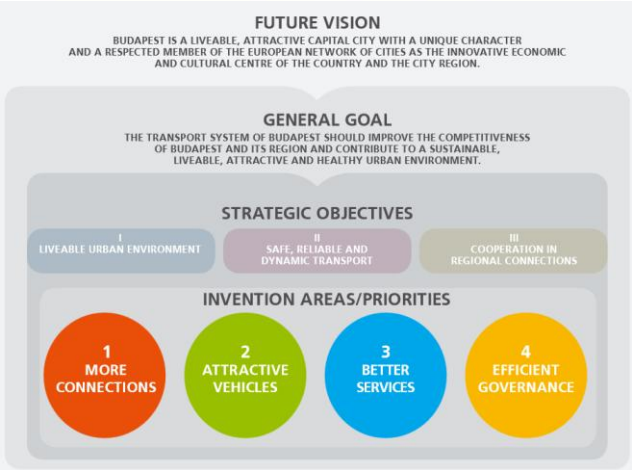
SUMP (urban vision, public consultation)



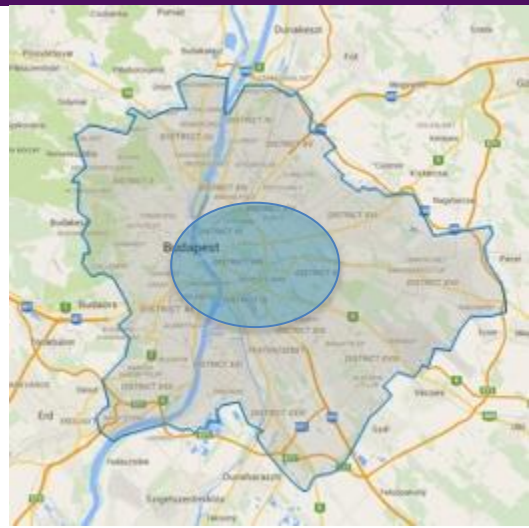




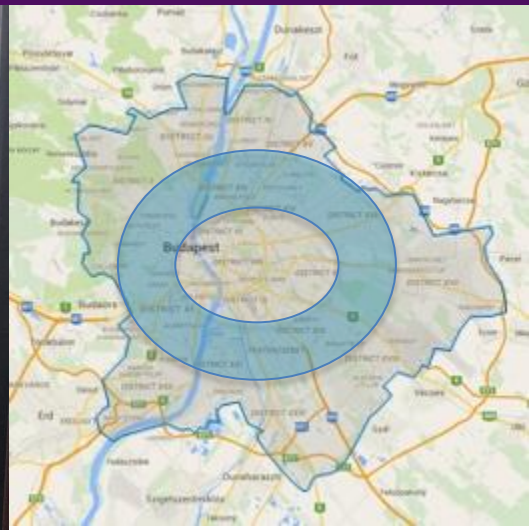




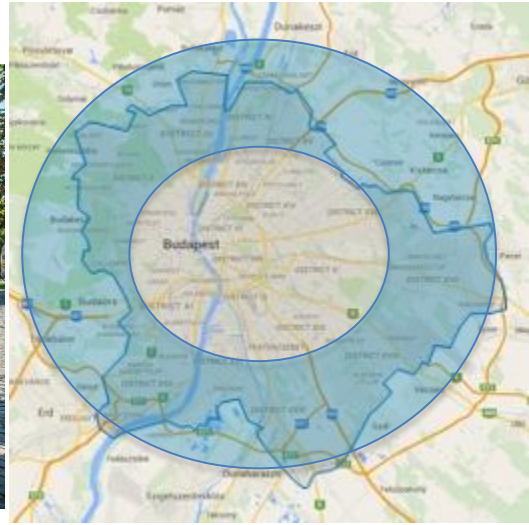
City center – success (pedestrian & bike friendly streets, shared space)

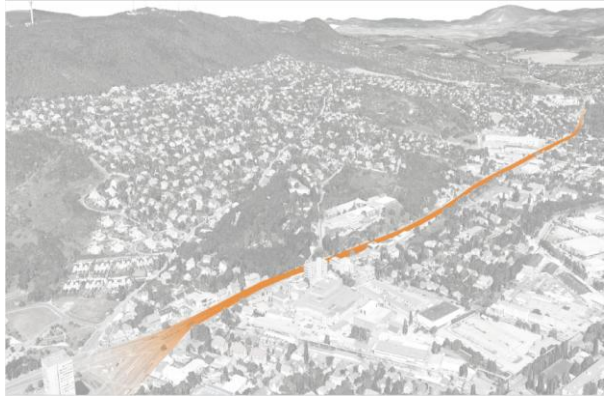


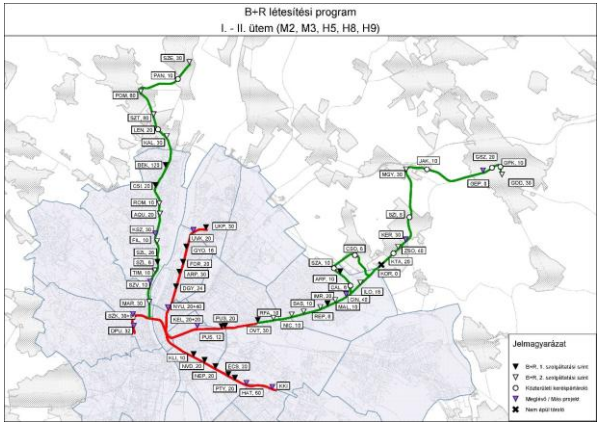
Outer ring – challenging (visitors vs. residents, different stakeholders)

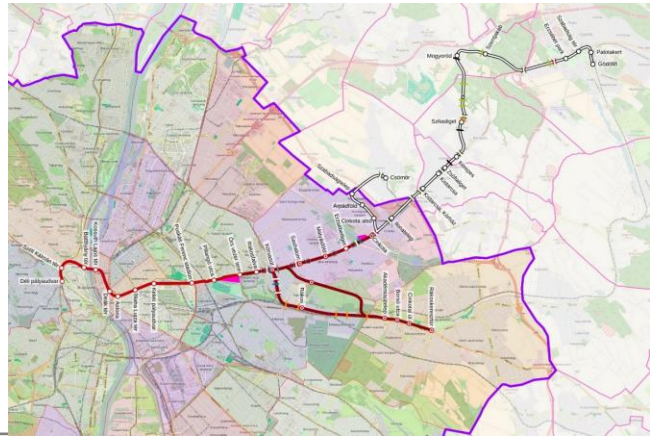


Outer areas – modal shift needed (hubs, TVM, line extension, P+R)

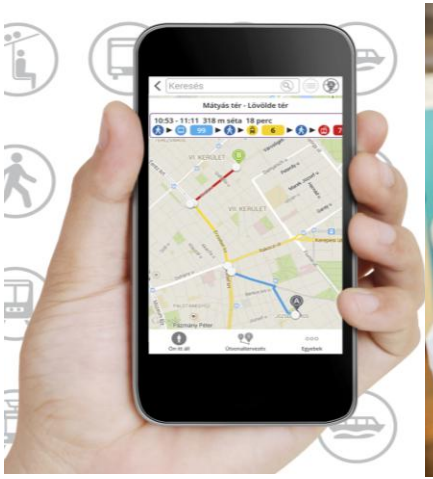








Customer focus, services, education, campaigns, events



Thank you for your kind attention!
