HafenCity Hamburg GmbH (tbc)
Christian Høgsbro, CEO, Housing Cooperative AAB
The National Building Fund (tbc)

A conversation on:

- *benefits of public/private corporations driving inclusive growth*
- *value of separating the institutional vehicle from the city government and its administration to drive inclusive growth*
- *barriers and opportunities for creating inclusive cities*

14.30-14.45 **Coffee break**

14:45-16:00 **Re-naturing cities session**

Cities are bringing nature and green areas and solutions back into urban spaces. Sessions will explore how replacing unsustainable urban planning solutions from the past with greener options – green roofs, urban parks, urban forestry and more – brings nature back into our cities, mitigates the impacts of climate change, and brings positive impacts.

16:00-16:45 **Partnerships and financing of the inclusive city**

Luise Noring, Programme Director, Copenhagen Business School (CBS), Denmark
Partnerships drive inclusive cities, including inclusiveness in areas of urban regeneration, infrastructure, and housing. Selected innovations for replication that enable better and more inclusive cities will be presented, including the two models examined on the following day.
