100 % Ecological Farmers’ Market

KARTAL Municipality of Istanbul & Bugday Association for Supporting Ecological Living
Transforming an industrial settlement into a sustainable urban livelihood
“to support, create and promote fair and sustainable consumption and production patterns in Turkey”
...a holistic, integrated approach involving all relevant stakeholders...
- Opened in 2009
- Every Sunday, 8.00-17.00h
- Has 180 stalls
- Monthly (4,000-4,500 visitors)
- Ecological oases in the city
A space of social interaction where ecology-themed workshops, seminars and educational programs take place
THANK YOU!
