</tbody>
</table>

**LEADERSHIP & GOVERNANCE**

- Develop a clear vision and strategy for city resilience
- Form alliances with other cities for mutual support
- Establish a robust multi-level governance approach

**INFRASTRUCTURE & RESOURCES**

- Develop critical infrastructure resilience plans
- Ensure appropriate insurance coverage
- Promote and provide incentives to stakeholders for investment in R&D&I initiatives

**PREPARATIONS**

- Conduct resilience training for citizens and public companies
- Develop education programs in schools about resilience action plans
- Develop formal procedures to manage risk

**STAKEHOLDERS**

- Municipalities, cross-sectorial and multi-governance collaboration
- Legislation development and refinement
- Learning culture (forming and dissemination)
- Resilience action plan development
- Diagnosis and Assessment
- Education and Training
- Reliability of infrastructures
- Resources to build up resilience
- Development of partnerships with city stakeholders
- Involvement in resilience training of cities

**COOPERATION**

- Form alliances with other cities for mutual support
- Establish a robust multi-level governance approach
- Develop critical infrastructure resilience plans
- Ensure appropriate insurance coverage
- Promote and provide incentives to stakeholders for investment in R&D&I initiatives
