Take the lead in sustainability

ICLEI connects ambitious local and regional governments in Europe and around the world and offers its members exclusive benefits and opportunities.

ICLEI – LOCAL GOVERNMENTS FOR SUSTAINABILITY

Founded in 1990 as the International Council for Local Environmental Initiatives (ICLEI), we are the world's leading network of local and regional governments committed to sustainable development.

We believe that local governments are best placed to overcome environmental, social and economic challenges and achieve a transformation to sustainability and an improved quality of life for their citizens.

The ICLEI European Secretariat is based in Freiburg, (Germany), with offices in Berlin (Germany) and Brussels (Belgium), supporting members across 35+ countries in Europe, the Middle East and West Asia.
